There are often times when you might be looking for an economical hotel accommodation while on a personal or a pleasure trip to Delhi or organisations wanting to put up their officers/staff on official work in Delhi . We would like to take this opportunity to introduce **Asian Guest House** to all esteemed travellers and organisations.

Asian Guest House was established in the early seventies to cater especially to the budget conscious tourists and business travellers. All these years we have maintained a family and friendly atmosphere; and have provided a safe environment to families and female travellers. We take great pleasure in acknowledging that we have been successful in providing our guests with clean and tidy comforts - like a home away from home.

All rooms have attached western style private bathroom with hot & cold water supply. We provide clean bedding, purified drinking water in flask, towel, soap, and toilet paper roll in all rooms. Window airconditioner in Deluxe (plus Cable TV) and semi deluxe rooms; ceiling fan in Non-AC rooms.

We wish you a pleasant stay at our **Asian Guest House**

*We at **Asian Guest House** thank you all for patronising us and we keenly look forward to your staying with us in the future.*

There is an abundance of cafes, fast food outlets, bars, low budget eateries & fine dining restaurants serving national and international cuisines within 2 minutes to fifteen minutes of walking distance from **Asian Guest House**. There is an immediate access to many options like city bus transport service, three wheelers/taxis with meters, Metro Rail System and private cabs for easy commuting to various parts of the city & NCR at all times of the day. Connaught Place is in itself a complete experience vis-à-vis entertainment, shopping and dining.
